dermalogica clear start

Dermalogica's teenage skincare range

Zap those spots. High frequency is used along with Dermalogica's ClearStart range to effectively heal and dry out spots.

Zap the Spot (15 mins) £22

Course of 8x Zap Spots treatments
To be taken one a week for 8 weeks (2 sessions free) £132

MICROBLADING

   Microblading is fantastic for improving or enhancing the appearance of eyebrows. Pigment is placed under the epidermis with a specially designed blade to create natural looking hair strokes. The semi-permanent finish is perfect for anyone looking to restore sparse or missing hairs.

Consultation and 2 sessions £330

1st Session - 90 minutes
2nd Session - 60 minutes (between 4 and 12 weeks after 1st session)

Colour Refresh (within 12 months) £155

Depending on your skin type (oily skin can make pigment drop quicker), we would expect your colour to be at its best for 10 - 12 months. Please note: after 2 years of no treatments - we would have to repeat the 2 sessions again.

Microblading is not suitable if you are pregnant or lactating.
